1. TITLE OF RESEARCH PROJECT AND DATE

2. AUTHORS

The Award will be given to a research project in the sciences (natural, theory, applied), jointly carried out by scientists and/or research organizations hailing exclusively or prevalently from Italy and the United States. That is, the research must have been carried out by a team consisting mostly of Italians, in cooperation with Americans. **Organizations, public or private, include the following, for example: businesses, research laboratories, universities, training centers.**

VERY IMPORTANT: All published co-authors must be listed in and sign the Candidate Application. This means that they may apply as individual scientists or, alternatively, an organization with which one or more co-authors is affiliated may apply.

2.1. ITALIAN ORGANIZATIONS or SCIENTISTS:

Applying for the Award as:

Research organization

List up to 3 research organizations from Italy. If research was conducted by more than three, the names of the other organizations should be attached separately.
